Fixture Note: An enquiry was held which was adjourned from Race 2 at Cheltenham on 24 October 2026, to consider interference between the third and second last flight of hurdles involving KASHCHEI, placed fourth, ridden by Carl Millar and the winner, WOODSTOCK OCTO (IRE), ridden by Ben Jones. Millar was suspended for 4 days for careless riding in that after his mount jumped right-handed at the third last, which it had done throughout, Jones improved on his inside to within a neck and into a legitimate position, whereupon Millar moved left-handed in order to regain the position he had lost on the inside. The result of this was that Jones was moved off the track and as a result had to ease his mount and switch right in order to jump the second last hurdle.
